isbn:9780231059336

Kukai, more commonly known by the honorific Kobo Daishi, was one of the great characters in the development of Japanese culture. He was active in literature, engineering, calligraphy, and architecture and is represented in this work in terms of his major effort--the introduction of esoteric Buddhism from China, which resulted in the formation of the Shingou sect still active in Japan. Eight of his works are presented here.

评论

密宗真是密的一比，华严还能津津有味似有似无看懂一些，大空海真是不知道在说什么。
