

Toni Morrison's Fiction

[Toni Morrison's Fiction 下载链接1](#)

著者: Middleton, David L. 编

出版者: Routledge

出版时间: 1999-11

装帧: Pap

isbn: 9780815335887

This collection of contemporary criticism explores the author's concern with racial and gender issues and analyses her relation to other major modern authors, her philosophical and religious speculations, and her preoccupation with the process of fiction-making. Classic essays provide a broad look at critical arguments about Toni Morrison's meanings and significance during the past ten years.
