"Some of the finest examples of contemporary, genuinely American prose." -- Washington Post

"His voice rumbles with authority through sentences of surpassing grace. In his more than fifty years at The New Yorker, White set a standard of writerly craft for that supremely well-wrought magazine. In genial, perfectly poised essay after essay, he has wielded the English language with as much clarity and control as any American of his time." -- Baymond Sokolov, Newsweek

"The abiding spirit of these essays is humane, compassionate, traditionalistic. No matter what his subject, White always keeps his eye on the long view and the larger perspective. There are times when I feel his work is as much a national resource as the Liberty Bell, a call to the best and noblest in us." -- Jonathan Yardley, San Francisco Examiner --This text refers to an out of print or unavailable edition of this title.

评论

怀特不愧是当代文笔最好的美国人。有时候他的散文读起来有点像周星驰的电影，前面让人开怀大笑，结尾突然就伤感起来。

One of the best essayist
