出版时间: 2005-3-7

装帧: Hardcover

isbn:9780521820097

This Companion provides an authoritative introduction to the historical, social and stylistic complexities of modern Irish culture. Readers will be introduced to Irish culture in its widest sense and helped to find their way through the cultural and theoretical debates that inform our understanding of modern Ireland. The volume combines cultural breadth and historical depth, supported by a chronology of Irish history and arts. A wide selection of essays on a rich variety of Irish cultural forms and practices are complemented by a series of in-depth analyses of key themes in Irish cultural politics. The range of topics covered will enable a comprehensive understanding of Irish culture, while the authors gathered here - all acknowledged experts in their fields - provide stimulating essays that together amount to an invaluable guide to the shaping of modern Ireland.
