Intent upon letting the reader discover the central concepts of important thinkers, the How to Read series provides a context and an explanation that will facilitate and enrich your understanding of texts vital to our world today. Approaching the writing of major intellectuals, artists, and philosophers need no longer be daunting. How to Read is a new sort of introduction--a personal master class in reading--that brings you face to face with the work of some of the most influential and challenging writers in history. In lucid, accessible language, these books explain essential topics such as the implicit and explicit genocidal message within Hitler's writing.
