著者:Lund, Roger D. 编

出版者:Routledge

出版时间:2006-7

装帧:HRD

isbn:9780415700207

An extremely complex, yet widely studied text, Jonathan Swift's "Gulliver's Travels" ranks as one of the most scathing satires of British and European society ever published. Students will therefore welcome the publication of Roger Lund's sourcebook, which provides a clear way through the wealth of contextual and critical material that surrounds the text. This indispensable guide presents: extensive introductory comment on the contexts and many interpretations of the text, from publication to present; annotated extracts from key contextual documents, reviews, critical works and the text itself; cross-references between documents and sections of the guide, in order to suggest links between texts, contexts and criticism; and suggestions for further reading. Part of the "Routledge Guides to Literature" series, this volume is essential reading for all those beginning detailed study of Swift's controversial novel.
