著者:Tanner, Bernard R.

出版者:Rowman & Littlefield Pub Inc

出版时间:2003-9

装帧:Pap

isbn:9780761826057

Here for the first time a reader can understand The Great Gatsby as F. Scott Fitzgerald wrote it. Fitzgerald wanted praise for showing skills like those of James Joyce in Ulysses. He set the table for a party to which no one came. No reviewers or interpreters of his novel until now have fully explained its structure, its individual chapter topics, biblical parodies, puns, games with numbers, and burlesques hidden in images. He drew from The Gospel According to John, a 5th century apocryphal book (The Gospel of Nicodemus), The Epistle of James, The Acts of the Apostles, and legends of the saints in ways similar to Joyce's use of adventures in Homer's The Odyssey.
