A twenty-first century version of Roger Fowler's 1973 "Dictionary of Modern Critical Terms", this latest edition of the "Routledge Dictionary of Literary Terms" is the most up-to-date guide to critical and theoretical concepts available to students of literature at all levels. With over forty newly commissioned entries, this essential reference book includes: * an exhaustive range of entries, covering such topics as genre, form, cultural theory and literary technique * new definitions of contemporary critical issues such as "Cybercriticism" and "Globalization" * complete coverage of traditional and radical approaches to the study and production of literature * thorough accounts of critical terminology and analyses of key academic debates * full cross-referencing throughout and suggestions for further reading. Covering both long-established terminology as well as the specialist vocabulary of modern theoretical schools, the "Routledge Dictionary of Literary Terms" is an indispensable guide to the principal terms and concepts encountered in debates over literary studies in the twenty-first century.
