著者:John Higgins

出版者:Routledge

出版时间:1999-5-7

装帧:Paperback

isbn:9780415023450

Raymond Williams' prolific output is increasingly recognised as the most influential body of work on literary and cultural studies in the past fifty years. This book provides the most comprehensive study to date of the theoretical and historical context of Williams' thinking on literature, politics and culture. John Higgins traces: * Williams' intellectual development * the related growth of a New Left cultural politics * the origins of the theory and practice of cultural materialism. Raymond Williams is an astonishing achievement and will challenge many received ideas about Williams' work.
