出版时间:2007-3

装帧:Pap

isbn:9780521670944

Walt Whitman is one of the most innovative and influential American poets of the nineteenth century. Focusing on his masterpiece *Leaves of Grass*, this book provides a foundation for the study of Whitman as an experimental poet, a radical democrat, and a historical personality in the era of the American Civil War, the growth of the great cities, and the westward expansion of the United States. Always a controversial and important figure, Whitman continues to attract the admiration of poets, artists, critics, political activists, and readers around the world. Those studying his work for the first time will find this an invaluable book. Alongside close readings of the major texts, chapters on Whitman's biography, the history and culture of his time, and the critical reception of his work provide a comprehensive understanding of Whitman and of how he has become such a central figure in the American literary canon.

因为要做presentation所以读了一遍。作品介绍有些分散，大多引用一两句。若有集中代表作介绍分析的话就好了。时期分类还好，内容还算详细。
