Both volumes of "Using Picture Storybooks to Teach Literary Devices" make it easy to find the perfect book to illustrate a specific literary device. The author has selected nearly 500 picture storybooks that effectively illustrate satire, allusion, pun, imagery, paradox, simile, analogy, and other literary devices. A substantial portion of each volume is a detailed guide for finding appropriate examples. This guide is alphabetically arranged from Allegory to Understatement and describes the appropriate titles for each device. Volume 1 spans books from 1980 to 1988, and

Volume 2 covers books published since 1989 as well as classic picture books. All entries include full bibliographic information, a plot summary, examples of the literary device, and other devices used in the book.
