出版时间:2000-8

装帧:Pap

isbn:9780521658430

This book introduces in a lively and succinct way the major writers, literary movements, styles and genres that, at the beginning of a new century, are seen as constituting the field of 'Australian literature'. The book consciously takes a perspective that sees literary works not as aesthetic objects created in isolation by unique individuals, but as cultural products influenced and constrained by the social, political and economic circumstances of their times. It will be an indispensable reference for both national and international readers.
