

# Literature and Philosophy

[Literature and Philosophy\\_下载链接1](#)

著者:Rudrum, David 编

出版者:Palgrave Macmillan

出版时间:2006-7

装帧:HRD

isbn:9781403947734

This collection charts the origins and consequences of the literature/philosophy dialogue, providing an overview of the field as well as discussing new developments in literary and philosophical scholarship. The collection is divided into four main parts: introductory perspectives; an overview of the key schools of thought; a discussion of debates between literature and philosophy; and an engagement with specific texts.
