All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes & Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. Henry David Thoreau was a sturdy individualist and a lover of nature. In March, 1845, he built himself a wooden hut on the edge of Walden Pond, near Concord, Massachusetts, where he lived until September 1847. Walden is Thoreau's autobiographical account of his Robinson Crusoe existence, bare of creature comforts but rich in contemplation of the wonders of nature and the ways of man. On The Duty Of Civil Disobedience is the classic protest against government's interference with individual liberty, and is considered one of the most famous essays ever written. This newly repackaged edition also includes a selection of Thoreau's poetry. Jonathan Levin is Dean of the School of Humanities and Professor of Literature and Culture at SUNY-Purchase. His research interests include nineteenth- and twentieth-century American literature and culture, modernism and modernity, and environmental studies. He is the author of The Poetics of Transition: Emerson, Pragmatism, and American Literary Modernism , as well as numerous essays and reviews.
