isbn:9780312869366

Since the debut of Robert Jordan's internationally bestselling series in 1990, "The Wheel of Time" has transported readers to a world so strikingly real, so rich in detail and complexity, it seems to rise from memory rather than a printed page. This

essential companion to The Wheel of Time is for the millions interested in the history and the background of this incredible series-never-before-told legends, previously unknown peoples and lands, exotic beasts, and portents of what may come to pass. With more than seventy new full-color paintings that include stunning new world maps, portraits of the central characters, landscapes, objects of Power, and national flags, this comprehensive guide is indispensable to any Robert Jordan fan
