著者:Bill Morgan

出版者:City Lights Publishers

出版时间:2003-05-01

装帧:Paperback

isbn:9780872864177

This is a blow-by-blow unearthing of the places where the Beat writers first came to full bloom: the flat where Ginsberg wrote 'Howl', the site of the Six Gallery, Gary Snyder's Zen cottage in Berkeley, the ghostly railroad yards where Kerouac and Cassady toiled, and much more. Based on interviews and meticulous research, this guide also brings to light never-before-heard stories and anecdotes.
