著者:Pavuluri, Mani N./ Janicak, Philip G.

出版者:Lippincott Williams & Wilkins

出版时间:2005-1

装帧:HRD

isbn:9780781754828

This convenient handheld reference is a quick one-stop guide to prescribing psychotropic drugs for patients at every stage of the life span - children, adolescents, adults, and the elderly. With a tap of a stylus, clinicians can get reliable, succinct, and easy-to-scan information about any drug, including what formulations are available, how to prescribe for each age group, how the drug compares to alternative treatments, and what precautions are necessary. The coverage encompasses all current psychotherapeutic medications, including agents used to treat substance abuse. Platform: Palm OS, Windows CE, and Pocket PC handheld devices. It is also available for iPhone/iPod touch.
