This is a compilation of Donna Diersa (TM) unpublished and published pieces spanning her entire career, dealing with issues in nursing research, advanced practice, policy, and public image. An evocative, narrative writing about nursing and nursing issues that addresses nursing as the care of the sick, and the tending of the environment within which care happens. Dr. Diersa (TM) writings are inspirational, and evidence-based, making them significant and credible pieces of work for all nurses.
