isbn:9780071472470

This book contains concise, authoritative answers to every aspect of inpatient and

outpatient care. New and celebrating 46 years, "Current Medical Diagnosis & Treatment" delivers the most reliable, up-to-date coverage of more than 1,000 common diseases and disorders along with a clear synopsis of treatment and diagnosis. Utilizing a "find it now" format and made even more accessible by a detailed index, "CMDT" covers almost every aspect of general medicine with an emphasis on practical clinical diagnosis and patient management. Within its pages, you will find a meticulous presentation of every major primary care topic, including gynecology, ophthalmology, psychiatry, neurology, obstetrics, dermatology, otolaryngology, toxicology, and urology - all from one of the world's most respected editorial boards.
