著者:Stedman's

出版者:Lippincott Williams & Wilkins

出版时间:2004-12

装帧:Pap

isbn:9780781755306

Stedman's Dermatology and Immunology Words, Third Edition has been updated to include a comprehensive list of terminology in dermatology, immunology, rheumatology, allergy, and transplantation. The appendix section has been expanded with images and relevant sample reports. Medical language specialists, including medical transcriptionists, medical coders, court reporters, and medical secretaries, will want to add this new edition to their Stedman's Word Book resources shelf.
