

Strategic and Tactical Considerations on the Fireground

[Strategic and Tactical Considerations on the Fireground](#) [下载链接1](#)

著者:Smith, James P.

出版者:Prentice Hall

出版时间:2007-4

装帧:HRD

isbn:9780132229012

The author's over 40 years of experience contributes to the real-life approach of this

text, blending theory with personal experience. Strategic and Tactical Considerations on the Fireground uses a systems approach to guide you through the process of problem identification and solution response. From planning to incident scene control, this text provides knowledge that can be applied to a variety of complex fire situations. This updated and expanded second edition includes an additional 25% of new material on Health Care and High Risk Populations and Commercial, Technical Operations, and Industrial Occupancies as well as scenarios, case studies, and website references to further enhance student learning.
