isbn:9781931017060

This handy pocket reference and interactive CD-ROM will help you learn and retain important information you need as a dental assistant, and it is all in one place. The "Pocket Guide" format allows you to have a complete and handy resource during clinical dental assistant practice. You can quickly and effortlessly review tray setups, dental materials, dental charting, cement mixing, assembling the XCP instrument, and film placements. The hands-on Pocket Guide plus interactive CD-ROM facilitate learning and can be used as a reference or for review. Interactive exercises, procedure videos, a database of dental materials, and Internet links will make your career as a dental assistant easier.
