著者:Tingle, John (EDT)

出版者:Blackwell Pub

出版时间:2007-10

装帧:Pap

isbn:9781405132282

Nursing Law and Ethics takes an innovative and challenging approach to key legal and

ethical issues, and considers the practical application of law and ethics in nursing. Part 1 explores the interface between law, ethics and nursing, patient complaints and the changing policy context. Part 2 addresses legal and ethical perspectives on more specialist topics including negligence, consent, resource allocation, mental health nursing, the critically ill patient, clinical governance and research.

The new edition reflects recent changes in mental health and learning disabilities, as well as the implementation of the new clinical negligence and complaints system.

- * Builds upon the strengths of previous editions
- * Legal Chapters accompanied by Ethical Commentary
- * Includes contributions from leading nurses, lawyers and ethicists
