Is your job in danger of getting replaced by robots?

Jobocalypse is a look at the rapidly changing face of robotics and how it will revolutionize employment and jobs over the next thirty years. Ben Way lays out the arguments in favor of and against the mechanization of our society, as well as the amazing advantages and untold risks, as we march into this ever-present future.

Each entertaining chapter covers the past, present and future of robotic technology, from sex bots to military killing drones, in an easy to understand way.
