著者:David Allen Sibley

出版者:Knopf

出版时间:2014-3-11

装帧:Hardcover

isbn:9780307957900

The publication of The Sibley Guide to Birds in 2000 quickly established David Allen Sibley as the author and illustrator of the nation's supreme and most comprehensive guide to birds. Used by millions of birders from novices to the most expert, The Sibley Guide became the standard by which natural history guides are measured. The highly anticipated second edition builds on this foundation of excellence, offering massively expanded and updated information, new paintings, new and rare species, and a new, elegant design.

The second edition offers a wealth of improvements and updates:

- All illustrations reproduced 15 to 20 percent larger for better detail.
- Includes nearly 7,000 paintings digitally remastered from original art for enhanced print quality.
- Expanded text includes habitat information and voice description for every species and more tips on finding birds in the field.
- More than 600 new paintings, including illustrations of 115 rare species and additional paintings of common species and regional populations.
- More than 700 updated maps of ranges, showing winter, summer, year-round, migration, and rare ranges.
- 85 bird family pages now cross-referenced to species accounts.
- Revised taxonomic order and most current common names for every species.

The Sibley Guide to Birds, second edition, brings the genius of David Allen Sibley to the world once again in a thoroughly updated and expanded volume that every birder must own.

作者介绍:

David Allen Sibley began seriously watching and drawing birds in 1969, at age seven. Since 1980 he has traveled throughout the North American continent studying the natural world, both on his own and as a leader of bird-watching tours. This intensive travel and study culminated in the publication of his comprehensive guide to bird identification, The Sibley Guide to Birds, followed by The Sibley Guide to Bird Life & Behavior, Sibley's Birding Basics, The Sibley Field Guide to Birds of Eastern North America, and The Sibley Field Guide to Birds of Western North America. He lives in Concord, Massachusetts.
