装帧:HRD

isbn:9780387223520

Edited by two leading authorities in the field, this volume is a technique-oriented "how-to" guide to an increasingly performed procedure, corrective surgery for the failed total knee arthroplasty. This book offers an in-depth, comprehensive approach for orthopedic surgeons, sports medicine specialists, and residents to revision total knee arthroplasty and its complications. More than 350 illustrations -- 60 in full color -- complement detailed descriptions of surgical procedures. This book offers clinical pearls on topics such as diagnosis and evaluation, pre-op planning and component selection, surgical approach, revision technique, post-op complications, and salvage--all covered by top experts in the field.
