Refresher: Emergency Care and Transportation of the Sick and Injured, Second Edition is written with the experienced EMT-Basic in mind. It is designed to meet the needs of EMT-Basics who are in the process of recertifying, in all settings and at all skill levels.

Refresher is part of an integrated teaching and learning system that brings the best resources to both EMS instructors and recertifying EMT-Basics. It combines complete medical content with dynamic new features and interactive technology to support instructors and providers.
