EMT-Intermediate: Pearls of Wisdom is a collection of rapid-fire questions and answers designed to help students prepare for EMT-Intermediate state and national certification and refresher exams. It consists of "pearls"-succinct pieces of knowledge in a question and answer format. Designed to maximize test scores, EMT-Intermediate:

Pearls of Wisdom prunes complex concepts down to the simplest kernel.
EMT-Intermediate: Pearls of Wisdom is written in direct correlation to the U.S. DOT 1999 EMT-Intermediate National Standard Curriculum. Objectives are covered in the order and manner in which they appear in the curriculum. This is an excellent study guide for EMT-Intermediate students going through initial or refresher EMT-Intermediate training.
