著者:Staheli, Lynn T.

出版者:Lippincott Williams & Wilkins

出版时间:2006-3

装帧:HRD

isbn:9781582558189

Designed for general orthopedists, residents, pediatricians, physical therapists, and students, *Practice of Pediatric Orthopedics*, Second Edition is a practical, authoritative, generously illustrated, full-color how-to guide to the essentials of pediatric orthopedics. Dr. Staheli provides current, clinically proven, mainstream, whole child oriented management recommendations for musculoskeletal problems in children. The book features over 2,300 full-color photographs and drawings and numerous flowcharts to guide patient management. For this updated and expanded Second Edition, Dr. Staheli has recruited eight distinguished co-authors to contribute new information. Illustrations have been updated and many new illustrations have been added. The upper limb and hand chapters have been separated and expanded.
