isbn:9780323039048

This concise text helps students master content crucial to becoming a nursing assistant. It clearly and logically addresses current responsibilities of the nursing assistant in a readable, highly visual format that appeals to learners of all levels. This third edition includes expanded coverage on work ethics, comfort, safety, and communication. NNAAD procedures are highlighted throughout the text. A new CD Companion, included in each book, makes learning critical procedures exciting.
