

Mastering Scientific and Medical Writing

[Mastering Scientific and Medical Writing_ 下载链接1](#)

著者:Rogers, Silvia M.

出版者:Springer Verlag

出版时间:2006-12

装帧:Pap

isbn:9783540345077

This self-help guide is intended for scientific and medical professionals and students who wish to improve their scientific writing skills. Exercises invite the reader to practice the most important aspects of scientific writing. Although the book addresses certain issues more troublesome to scientific communicators of a non-English language origin, the guide will be of equal benefit to those whose first language is English. If you do not only want to write but want to write well, this book is for you.
