Master the essential knowledge you need to pass the ABFP Boards with this definitive

text! The detailed content corresponds to Dr. Robert E. Rakel's best-selling Textbook of Family Medicine, 7th edition, and includes more than 1,900 multiple-choice and true-false questions, designed in the ABFP style, to challenge your grasp of every aspect of family medicine.

Optimize preparation using the online testbank at www.familymedreview.com that simulates the timed ABFP exam and provides a score. Use the untimed "study" mode for more relaxed review without a score Master every aspect of family medicine including complementary and alternative techniques, herbal therapy, clinical guidelines, practice-based research, evidence-based medicine, and mind/body medicine. Review common and challenging conditions in hematology/oncology, ophthalmology, and dermatology with visual guidance from full-color photographic plates. Better understand why an answer is correct with comprehensive, evidence-based explanations following each question, plus references to the corresponding pages in Textbook of Family Medicine, 7th Edition

Over 500 more questions than in previous edition.
