isbn:9781587799822

One of our most popular charts is now available in a large format, 42 inches wide x 62 inches high. Printed on durable, tear-resistant flexible plastic, with a write-on/wipe-off surface (with dry erase pen), this oversize chart is perfect for teaching and demonstration. Three eyelets across the top make it easy to hang. The chart contains the classic skeletal illustrations by Peter Bachin. It shows anterior, lateral, and posterior views of the skeletal system and illustrates portion of long bone, auditory ossicles, ligaments of the right hand (dorsal and palmar views), ligaments of the right foot (dorsal and plantar views), and the right knee joint (anterior and posterior views).
