出版者:Lippincott Williams & Wilkins

出版时间:2007-4

装帧:Pap

isbn:9780781766449

Designed to be used in conjunction with "Phlebotomy Essentials, Fourth Edition", this Workbook provides students with chapter-by-chapter exercises to reinforce text material, assessment tools to evaluate their skills, realistic scenarios to gauge their grasp of key concepts, and skills logs to chart their progress. The Workbook includes key terms matching exercises; chapter review questions; crossword puzzles; skill and knowledge drills; requisition activities; competency checklists; case studies; concept mapping exercises; procedure evaluation forms; venipuncture practice logs; and the lab tests and departments appendix from the text.
