著者:Minnaar, Ansie/ Bodkin, Candice

出版者:Independent Pub Group

出版时间:2007-4

装帧:Pap

isbn:9780702171932

This book offers practical solutions to the problems associated with nursing HIV and AIDS patients. It adopts a holistic approach and includes chapters on HIV and pregnancy, paediatric management, dealing with opportunistic infections and the principles of anti-retroviral therapy, as well as chapters on counselling and living positively with HIV and AIDS.
