Now in its Second Edition, this handy reference is perfect for nurses entering or needing a refresher in critical care nursing. The book presents the latest information on over 100 critical care disorders in the award-winning Incredibly Easy! style, with

light-hearted humor, memory joggers, recurring icons to emphasize key points, and numerous quick-scan tables, illustrations, and flow charts. Highlights of this edition include state-of-the-art information on hemodynamic monitoring and trauma, a new icon emphasizing evidence-based practice, and two new four-page full-color inserts. A bound-in CD-ROM contains over 300 NCLEX®-style questions, plus concept maps and charts of nursing diagnoses and disorders.
