Commended in the Endocrinology category of the 2008 BMA Medical Book Competition The Handbook of Clinical Pediatric Endocrinology provides an up-to-date clinical guide presenting best (and, where possible, evidence-based) practice in the

diagnosis, treatment and management of pediatric endocrine disorders. It is a companion title to Brook's Clinical Pediatric Endocrinology, which is well established as the leading international work of reference in the field of pediatric endocrinology, covering endocrine disorders, their diagnosis and treatment.
