

Management of Genetic Syndromes

[Management of Genetic Syndromes 下载链接1](#)

著者:Cassidy, Suzanne B., M.D. (EDT)/ Allanson, Judith E., M.D. (EDT)

出版者:John Wiley & Sons Inc

出版时间:2004-11

装帧:HRD

isbn:9780471308706

This revised edition of its critically acclaimed predecessor incorporates new research findings and advances in the treatment of genetic disorders, including gene--directed

therapies. Notably, each chapter incorporates thoroughly updated material on new genetic findings, consensus diagnostic criteria, and management strategies.
