The 5-Minute Urology Consult is a quick, reliable reference guide for any practitioner encountering urologic symptoms or disease. Using the famous two-page layout and outline format of the 5-Minute Consult series, the book provides instant access to

clinically-oriented, must-have information on all urogenital problems. Section 1 focuses on presenting signs and symptoms and helps the clinician arrive at a diagnosis. Section 2 focuses on diseases, Section 3 covers shorter topics, and Section 4 covers urine studies. Sections 5 and 6 list and describe over 300 drugs, herbal medications, and alternative therapies, and Section 7 contains helpful reference tables
