装帧:Paperback

isbn:9780803615489

The ideal companion to the textbook, the workbook reinforces what students learn in each chapter of "Essentials of Anatomy and Physiology, 5th Edition". It is revised with new illustrations and packed with fill-in questions, figure labeling and coloring activities, and chapter review crossword puzzles. It is a great supplement to the course

book and the perfect stand-alone A & P study tool, that promotes learning in a fun and hands-on way.
