Passing the Fellowship of the Royal College of Radiologists Part 1 examination is a prerequisite for any doctor who wants a career in Radiology. The part 1 examines candidates' knowledge on both the physics of medical imaging and the principles of radiation protection. This book provides a series of multiple choice questions structured in a similar format to the examination, in order to evaluate candidates' knowledge on all the aspects that are required for part 1. The radiation protection questions are up-to-date with the current IR(ME)R 2000 regulations. Detailed answers with additional information are provided, along with references, for each question. The text is accompanied by a free CD-ROM containing the powerful and easy-to-use QBase interactive MCQ examination package, suitable for PCs and PDAs.
