Get the most from your study time...and experience a realistic USMLE simulation! These new additions to the Rapid Review Series-highly rated in the First Aid rankings-make it easy for you to master all of the basic science material covered on the USMLET Step 1 Exam.

Each title focuses on a particular basic science subject, providing an at-a-glance, outline-format review of all the information you need to know.

A user-friendly 2-color layout, Hi-Yield Margin Notes, and Key Points make studying easy.

100 high-quality USMLE-style review questions inside each book allow you to practice for the USMLE, and include a full rationale that lets you know why every possible answer is right or wrong.

Another 250 USMLE-style questions for each title are available at www.studentconsult.com-mirroring the look and feel of the actual exam, and providing detailed feedback on which areas you may need to study more.
