出版者:Lippincott Williams & Wilkins

出版时间:2003-7

装帧:Pap

isbn:9780781745888

Designed with a symptom-oriented approach, the updated Second Edition of Neurology Recall is practical for both medical students and generalists who need a refresher course in neurology. The book is written by residents and clinicians and facilitates rapid review and memorization with a concise question-and-answer format covering the basic and specialized areas of neurology. You'll also find these features: small, portable size, affordable price, bookmark to help you self-test by covering the answers, and an extensive index.
