Part of the popular "LPN Threads" series, "Foundations and Adult Health Nursing" is the full-color single-volume text that includes all of the content from "Foundations of Nursing and Adult Health Nursing". It covers the entire LPN/LVN curriculum including coverage of fundamentals and skills, maternal and neonatal, pediatric, geriatric, mental health, community, anatomy and physiology, and medical-surgical content. Rely on these tried-and-true texts to ensure your student's success both in the classroom and in practice!
