Appropriate for shorter nurse assistant courses; particularly those that cover the acute care (hospital) and nursing homes (long term care) environments. Concise, practical, and affordable, the fourth edition contains the essential information nursing assistants need to know and be able to do in a format that is easily readable. Appropriate for any nursing assistant program, the fourth edition reflects the most recent practice requirements while providing new features to facilitate learning. Accompanied by a wide range of new media, this resource is unsurpassed in providing a total package of learning tools that promote individual success in the classroom, on the certifying exam, and in the clinical setting.
