Trench Rescue is designed for the awareness, operations, and technician level trench rescue course. It will familiarize fire and rescue personnel with procedures to conduct rescue operations that will mitigate most types of trench collapse incidents. Trench Rescue is written in an easy-to-follow format and includes many photos and technical illustrations. Each unit is filled with specific information and valuable tips, and concludes with test questions to help the reader understand and retain important information. As an added bonus, rationales are included for all questions.
