This second edition of Questions and Answers for Dental Nurses reflects the major

changes that have taken place in dental nursing over recent years. A valuable self-assessment guide for dental nurses, this edition covers the topics featured on the NEBDN examination, together with the National Vocational Qualification (S/NVQ) in Oral Healthcare, up to Level 3. With mandatory registration in mind, coverage on subjects relevant to Access to Registration Training (ART) is extended. More than just questions and answers, the book often provides guidance on the orientation of examinations, the questions involved and helpful explanatory information on responses. An invaluable resource for trainee dental nurses seeking qualification, as well as returning or refocusing certified dental nurses.
