[Qualitative Research in Nursing\\_ 下载链接1\\_](#)

著者:Helen J Streubert Speziale

出版者:Lippincott Williams & Wilkins

出版时间:2006-01-01

装帧:Paperback

isbn:9780781763134

Now in its Fourth Edition, this packed, user-friendly text systemically provides a sound foundation for understanding a wide range of qualitative research methodologies, including triangulation. It approaches nursing education, administration, and practice and gives step-by-step details to instruct students on how to implement each approach. Features include emphasis of ethical considerations and methodological triangulation, instrument development and software usage; critiquing guidelines and questions to ask when evaluating aspects of published research; and tables of public research that offer resources for further reading.
