isbn:9780781794206

"AAMT Book of Style, Second Edition, Electronic" provides medical language professionals with hands-on access to the content in the "Book of Style" manual. This

new electronic format allows users to search, find information quickly, and apply it in their daily work, academically or professionally. The functionality is in an easy-to-use, searchable interface including Browsing Index by topic and subtopic, by category, Search by topic, Bookmark any topic, and other features to ensure your work is accurate and represents the highest standards. It is Windows compatible.
