What would you do if you found out that your loved one had a terminal illness? Would you want him/her to spend their final days in the hospital, or surrounded by family and familiar sights at home? Whether you are facing difficult caregiving issues in your life, or have never even considered such issues, Dr. Arbuckle will provide you with not only a practical guide, but with a spiritually uplifting example of a woman who did everything she could to say farewell to her husband with love and dignity.
